**SINGLE STEP
APPLICATION
TO CLEAN
AND DISINFECT**

BROAD-SPECTRUM ANTIBACTERIAL DISINFECTANT CLEANER WITH OUTSTANDING ONGOING PROTECTION*

Aeris Defence helps long-term microbial control with its invisible protective film, ensuring your surface is cleaner for longer.

- ✓ Kills COVID-19, influenza virus and a broad spectrum of bacteria
- ✓ Single step clean and disinfect after one application (no need to pre-clean surfaces)
- ✓ Provides on-going disinfection against COVID-19 for 24 hours with 9.5 minutes contact time after a single application
- ✓ Compatible with the vast majority of both natural and synthetic surfaces prone to microbial colonisation

**24 HOUR
DISINFECTION
AGAINST
GERMS AND
BACTERIA**

PRODUCT USE

Dental and General Practitioner Surgeries, Laboratories and Pathology Clinics (excludes medical devices):

Can be used for cleaning and disinfecting hard surfaces including tables, benches, counter tops, stools, door handles, bathroom facilities, fume cabinets,

Child Care and Aged Care:

Can be used for cleaning and disinfecting hard surfaces such as cribs, change tables, cots and bed frames, as well as tables, benches, counter tops, chair, trolleys, door handles, telephones, intercoms, bathroom facilities and other hard surfaces.

Hospital Environment (excludes medical devices):

Can be used for cleaning and disinfecting non-medical device hard surfaces in rooms and common areas.

DIRECTIONS FOR USE

- Spray Aeris Defence generously on surface
- Wipe product along the surface to ensure coverage
- Leave to dry for effective ongoing residual protection
- **For food contact surfaces and items such as utensils, cutting boards, cookware: Rinse with potable water before re-using where required**
